- #2 drive in both Phillips and Square.
- Used to fasten wood to wood in moderate exterior applications.
- Nibs under the head help prevent spin out and allow the screws to self countersink for a flush installation.
- Type 17 point eliminates pre-drilling and enables a smooth easy penetration into hard woods.
- Dagger Ultra-Guard Coating provides superior corrosion resistance and is approved in ACQ treated wood.
- Dagger Ultra-Guard Coating stock color is tan; green and redwood available as special order.
